

You Said “ We Did →

October - December 2023

“ Some of you seemed unsure of the services we provide. ”

→ We staffed promotional stands at the Students' Union Welcome Fair this year, as well as the Disability Services Induction Days.

“ We would like access to retail and refreshment outlets, a microwave and boiling water during the Christmas opening period. ”

→ We displayed posters promoting our hot/cold drinks and snacks vending machines and the microwave and water boiler available in Scholars' Rest.

“ We would like the option of free parking on campus throughout the Christmas period. ”

→ We arranged for this to be available, and promoted it on our Christmas posters.
