

Postgraduate Research Experience Survey (PRES)

The PRES provides robust, benchmark data from a large number of institutions across the UK and beyond to drive enhancement of the Postgraduate Research Experience. The most recent PRES results that we have are for 2025.

The questions of particular interest to Computing and Library Services (CLS) which give us an insight of how you perceive the services we are responsible for providing are below, alongside the results which show how well respected our offer for PGRs is.

<u>On campus Resources</u>	UoH 25
I have a suitable working space when I am on campus	62.4%
There is appropriate access to physical library resources and facilities	85.8%
There is appropriate access to IT resources and facilities when I am on-campus	78.3%
I have access to the specialist resources necessary for my research (for example, equipment, facilities, software, materials) when I am on campus	68.0%

<u>Online learning resources</u>	UoH 25
I have a suitable working space when I am studying remotely	84.1%
There is appropriate access to online library resources	91.5%
I have access to the specialist resources necessary for my research (for example, course materials, software, virtual learning environment) when I am studying remotely	80.5%

<u>Support</u>	UoH 25
The support for using IT and accessing resources meets my needs (for example, support with accessing online journals and e-books, using digital learning tools/apps)	81.70%
