

SEPTEMBER IS WORLD ALZHEIMER'S MONTH

Dementia is one of the leading causes of death in the UK. Dementia is not an inevitable part of aging.

Help support future generations with a regular donation to an Alzheimer's charity through Payroll Giving. With your support they will find a cure for diseases that cause dementia and help to care for those living with the disease. £5 a month will cost you no more than £4.

Find out more about our Payroll Giving scheme and set up your donations using the link below. Please get in touch via the Live Chat on the link if you have any questions.
