This leaflet gives you further information on the university occupational health department.
What services do we provide?

- PRE TRAINING HEALTH CLEARANCE
- VACCINATIONS AND BLOOD TESTS FOR HEALTH CARE STUDENTS AS ADVISED BY THE DEPARTMENT OF HEALTH
- REFERRALS FROM ACADEMIC STAFF
- SELF REFERRALS

If you have a health problem that is affecting your studies either academically or in placement, your course tutor can refer you to Occupational Health for advice about further support.

If you have a health concern that you feel you cannot discuss with a member of the academic staff, you can refer yourself to Occupational Health either by telephone or email.

What courses do we cover?

- NURSING
- MIDWIFERY
- OCCUPATIONAL THERAPY
- OPERATING DEPARTMENT PRACTITIONER
- PHYSIOTHERAPY
- PODIATRY FULL AND PART TIME
- TEACHER TRAINING COURSES

OCCUPATIONAL HEALTH IS A CONFIDENTIAL SERVICE FOR STUDENTS STUDYING ON THE ABOVE COURSES

For all other courses, further help and support can be found at Student Services.
