I’d like to thank you for the year.

So I’m sending you this Christmas card to say it’s nice to have you here.

I'd like to sing about all the things your eyes and mind can see.

So hop aboard your turntable.
Step into Christmas with me, yeah.

Step into Christmas, let's join together. We can watch the snow fall forever.

Eat, drink and be merry, come along with me.
Step into Christmas, the admission's free.

Take care in all you do this year

and keep smiling through the days.
If we can help you, entertain you,

oh, we can find a way.

So Merry Christmas one and all, there's
