People fall in love in mysterious ways, maybe just the touch of a hand.

Me, I fall in love with you every single day. And

I just wanna tell you I am. So honey now,
take me into your loving arms.

Kiss me under the light of a thousand stars.

Place your head on my beating heart.

I'm thinking out loud, may be we found love right where we are.
2. When my hair's all but gone and my memory fades
and the crowds don't remember my

name.
When my hands don't play the strings... the same... way,

I know you will still love me the same. 'Tut! Tut!'
'Cause honey your soul could never grow

I know you will still love me the same.
'Cause honey your soul could never grow

I know you will still love me the same.
'Cause honey your soul could never grow

And ba-by, your smile’s for-ev-er in

And I’m think-ing ‘bout how

may-be it’s all part of a plan.

Well,

may-be it’s all part of a plan.

Well,

peo-ple fall in love in mys-ter-i-ous ways,

may-be it’s all part of a plan.

Well,
I'll just keep on making the same mistakes, hoping that you'll understand. Baby now.
