

THE ROVING LIBRARIAN

STUDENTS HAVE SAID:

“It’s as if you were sent from God”

“The great thing about you is you come out looking to help me! I don’t have to come and find you!”

DID YOU KNOW...

...the subject librarians visit the different Schools at peak times in the year?

...we’ve consumed approx. 250 buns during our roving events?

(we haven’t eaten them ourselves - we’ve given them to the students!)

Keep an eye on Twitter @hudlib to find out when our roving events are.

These are the sort of things we get asked, but you can **Ask us anything!**
