LEARNING TECHNOLOGY DROP-IN SESSIONS

TURN UP TO A DROP-IN SESSION FOR HELP, ADVICE AND TUITION ON ANY ASPECT OF LEARNING TECHNOLOGIES

Drop-in sessions for one-to-one help

School focused drop-in sessions

Learning Bytes
Learning Bytes sessions are run monthly, and are designed to inspire you with a range of different learning technologies. We cover a different topic each time, they are informal and include presentations, demos, discussions and real life experiences.

Example Learning Bytes Topics
- Alternatives to essays for assignments
- Improve your presentation slides
- Copyright in Education

We are always open to new ideas for future Learning Bytes sessions
