We’re changing!

The Library and Computing Centre has started Phase 2 of its refurbishment.

- Redesign of floors 5 and 6.
- Relocation of the Music Library to the Library and Computing Centre.
- Refurbishment of the small staircase.
- Building of a new, glazed entrance to Central Services Building (CSB).

These improvements will provide improved learning spaces and a much needed rejuvenation of the layout, facilities and furniture.

Phase 1: Floor 4 redeveloped into the Student Centre

Phase 3: Floors 2 and 3 to be redesigned
